Your Vitality?

The essence of life is force. Every breath you breathsevery heart beat, every motion of your hand, takes force. The measure of force we call this loss of fish, lack of resistive power, a sendency to catch disease easily, especially a tendency to Consumption. For low visitisty nothing is better than Scott's Emulsion. It supplies force by fur nishing the nourishing, strengthening elements of food in an easily digested form; enriches the blood, and build up the system. When ordinary food is of no avail.
